

Jesus, Who is He?

Luke 22:66-23:

Respond to this statement:

Jesus is a good man and a moral teacher, but He never claimed to be God. It was His disciples who made it up later.

Does Jesus claim to be God?

C.S. Lewis says that if Jesus claimed to be God and He is not who He claims to be, then He cannot be a moral teacher. He is either a liar, a lunatic or a legend... or He is who He claims to be.

Who does Jesus say He is? Luke 22:66-70 List the three names

What did others understand Him to say about Himself? Mt. 27:43; Luke 22:70-71 Why were the chief priests and scribes angry?

Contemporaries of Jesus understood Him to say He was the Son of God. This was not a legend that was created many years later after His death.
